Improved Super Antique 5 MPH.3800,4500,5500,6000, 6500
Hot antique (unpaced) 3750,5250,5750,6750.
Farm Class 5 MPH Paced. 7500

1. Any driver 14 to 17 years old must have written permission from parent or guardian and Tractor Safety Class. NO EXCEPTIONS.
2. Kill switch and wheelie bars are recommended in all classes but are mandatory in the hot antique class.
3. Hitch 18" Ht. for all classes. Hitch point must be 18" or greater back from the center of the rear axle. No floating draw bars.
4. Track officials have the right to stop a tractor at anytime and their decision is final.
5. Scale is available to weigh the tractor as many times as necessary before the pull. Every tractor will be required to go across the scale prior to entering the track.
6. Steel wheeled tractors will pull last in each class.
7. No Massey 44, Oliver 88, Farmall M, Minn U or UB in classes under 5500#.
8. Tire size will be no bigger than 15.5 x 38" in 4500# and under. 18.4 x 38 in other classes. No cut tires in stock class.

Additional rules for Pure Stock Class (4MPH)

1. Must pull in first gear only.
2. Stock RPM. Throttles will be checked or monitored.
3. Weights must be in factory positions.
4. NO super antique or hot antique allowed in stock class.
5. Tractors must have stock block, carburetor, & serial number for that make.

Additional rules for Improved Super Antique Class (5 MPH Paced)

1. Tractor must be 1957 or older.
2. Tire size see general rules.

Additional rules for Hot Antique (no pace)

1. Tractors must be 1957 or older.
2. Any horsepower is allowed. Kill switch is MANDATORY in unpaced classes. Bell housing blanket or fly wheel wrap is MANDATORY.
3. Drivers must be over 18 years old.

Additional rules for Farm Class

1. Tractors can be any age.
2. Any horse power is allowed. If RPM exceeds twice the the factory specifications, then bell housing blanket or flywheel wrap is mandatory.
3. Turbo's are allowed for paced Farm classes.
4. Shift on the go is allowed.
