2. RPM Limited to 2800.
3. No fiberglass or lightweight components.
4. TO-4 or smaller chargers.
5. Must be Stock with workable governors and stock (NO pressed steel – unless factory equipped) wheels and tires.
6. Stock Intercoolers Only.
7. No P-style pumps.
8. No Water Injection or Waste Gates
9. Use of Performance Enhancing Equipment or Fuels will result in Disqualification.
10. 2.6 Inlet on Turbo – Will be checked
11. Tractors may pull in a maximum of three weight classes.
12. **Technicians will be on site to check tractors!**

GENERAL RULES:

1. Contestants must be 18 years of age or 15 – 17 year olds MUST have written permission.
2. Classes may change at judge's discretion and are NOT going to run in order!
3. Throttles must have Positive Stop.
4. No front cut tires.
5. Drawbar height not to exceed 20 in, or closer than 18 in, from center of rear axle. Anchor point of drawbar must be in stock location, stationary in all direction and be equipped with clevis or 3 inch pulling eye.
6. No 4-wheel drive, dual or crawler-type tractors.
7. Front weights not to exceed 24 inches beyond front of tractor & rear weights not to exceed 24 inches behind rear axles.
8. Weights cannot interfere with hook up, must be securely fastened and must have 12" clearance span above drawbar.
9. Anything that falls off before tractor is unhooked from sled will cause a disqualification.
10. Any tractor violating the boundary of track will be measured at that point.
11. Driver must remain in the seat with one hand on the steering wheel at all times.
12. All exhausts must discharge upward. No rain caps.
13. All tractors shall be out of gear for hooking and unhooking.
14. First pull will have the option to keep the first pull or drop back to last position.
15. Drivers will be allowed two starts if stopped before the 75 feet mark.
16. The pull will start with a tight hook-up!! NO JERK!
17. Tractors must have original or original replacement block and drive-train of each manufactured tractor.
18. MUST operate tractors safely at all times; speed not to exceed 3 mph off track & no riders.
19. Any tractor found to be unsafe may be disqualified before, during or after the pull.
20. No refund of entry fees due to tractor disqualifications.
21. All decisions by the judges are final.

NO CDV BABIES!
